August, 2010

Dear Member of the South Central District,

God has blessed our 2010 summer youth camps with campers who daily studied God's Word, enjoyed friendships, did service activities and had lots of fun. As one camper said,

***"I just love Camp Shiloh. I look forward to coming here all year!"***

God has also sent many groups and families who have been experiencing Camp Shiloh for a variety of gatherings. As a recent guest commented,

***"This is the perfect place for us. Do you mind if we tell others about Camp Shiloh? I know it would serve others as well."***

For Camp Shiloh to continue to improve and meet the needs of current and potential guests, work needs to continue. You can be a part of this maintenance and improvement process. Over the next months we would like to do a number of projects. Those projects include:

- Build a new sign for our entry made from wood harvested from Camp Shiloh**
- Repair more road breaks and holes**
- Build a ramp for the floating dock to provide safe access for guests**
- Build a roof over the tractor enclosure**
- Build a carport by the house**
- Erosion control – AND MORE ...**

But we need to rely on God's moving in the hearts of His people to bring forth thank offerings to allow us to make these improvements. As God moves in your heart to respond to Jesus' love for you, please consider a special gift to help us do the improvements that are needed to further this special ministry.

In Christ,

***Pastor Wayne Fischer***
