

## NEW! NEW! Thrivent Details

Thrivent Financial for Lutherans has now shared the details on how they will give the “Thrivent Choice” dollars to qualifying organizations. Please consider designating all or part of your “Designated Choice Dollars” to Camp Shiloh. Here is how you can determine how much you have to designate, and tell Thrivent where to send those dollars:

1. On the internet go to [www.thrivent.com/thriventchoice](http://www.thrivent.com/thriventchoice)
2. Read the material and click on Get Started – the reddish bar on the lower right part of the page.
3. You will then have the option of logging in or registering if you haven’t yet registered on that site.
4. Once you have registered and have received your initial code that they will email to you, you can log in to see your information and make your choice for “Designated Choice Dollars.”
5. To find Camp Shiloh we recommend that you only enter TX from the dropdown list for the state, and Camp/Outdoor Ministries from the type of ministry drop down list.
6. Choose Camp Shiloh and follow the directions that are given to set up how Thrivent is to send your dollars to Camp Shiloh.

Please note that Thrivent now has NO matching or supplemental funds program. They have shifted to this Designated Choice Dollars program instead. Your personal donation to Camp Shiloh remains very important to keep this ministry viable. If you would like to set up a regular donation plan, please contact Pastor Fischer.
