### Cabin Courtesies

- The septic system is very sensitive. Please do not put any grease in the drain or feminine sanitary products in the toilet.
- Help us keep our towels and linens clean for future guests. Do not use them in the beach area or to clean vehicles. Additional towels are available from the camp staff.
- Please wash, dry and put away dishes that are used.
- Since we will respect your privacy during your stay and not come into your cabin, a vacuum cleaner is provided for your use as needed.
- Upon checking out, please place all towels and washcloths in one place, and leave key in the room.
- Please notify us of any damages upon checking in and at the time of checking out. You are responsible for the cost of repairing any damage incurred during your visit.

## Welcome to Camp Shiloh Lutheran Retreat

*We provide a relaxing atmosphere where the Gospel strengthens Christians so that they are better able to share their faith with others.*

We are happy that you chose to stay with us and hope that you will enjoy your visit at Camp Shiloh. Our camp is a special gift from God. Please help us preserve the heritage that He has given to us.

In order to ensure everyone's security and enjoyment of our facilities, we ask that you read and observe the following rules.

- Children** are among our favorite campers. Please watch out for them and do not allow them to swim or go boating by themselves. For their safety, please observe the 15 mph speed limit while in the camp.
- Firearms, fireworks, sparklers** and other incendiary devices are prohibited.
- Pets** are welcome. Please keep them on a leash and clean up after them. Pets are not allowed in the beach, volleyball or swim areas for the health and safety of the other guests. They may enjoy the lake from the boat launch area only. Please restrain your pet from disturbing other guests at the camp.
- Buildings** are smoke-free and animal-free except 2 cabins and 2 motel rooms where dogs can be kept for an additional fee. Please restrict your smoking and pets to outdoors for the health and safety of our guests.

- Swimming and boating** are done at your own risk. Children should be supervised at all times. Do not swim in the fishing area or the boat ramp. Life jackets are to be worn whenever in a boat, kayak, canoe or paddle board and paddle boat.
- Fishing** is great in Lake Bob Sandlin! For the safety of our guests, do not fish in the swimming area.
- Campfires** should be confined to the grills, fire rings or campfire circle. Fires are to be attended at all times. Fires are not permitted on the beach. Please use extreme caution with any burning materials.
- Trees are our friends.** We use them for birdhouses, to shade us from the hot Texas sun in the summer and to shield us from the cold winter winds. Please do not deface them.
- Trash barrels** have been strategically located around the camp. These are not for decoration. Please use them and help keep our camp as beautiful as you found it. Please deposit your trash in the dumpster, located behind the maintenance building, when you leave the camp.
- Gray and black water** should be discharged in the dump station which is located near the softball field.

Please help keep our facilities clean and in good repair for future guests and for your next visit. We hope that we will see you again soon.

### Our Sincere Thanks

It is a pleasure to serve you at Camp Shiloh. Our camp is operated by a group of Lutheran congregations and individuals who desire to provide a relaxing atmosphere for spiritual growth and Christian fellowship. Please let us know if there is anything we can do to make your visit more enjoyable. **Enjoy your stay and come back soon!**
